### Amendment – Reply to Second, Non-Final Office Action

Sir,

In response to the Second, non-final Office Action dated April 15th, 2003; please amend the above-identified application as follows:

#### In the Specification:

- In paragraph 14, please replace:

the head section being adapted to receive a plurality of decorative sections having mounts attached.

with

the head section having attachment for a decorative section and a body piercing section and being adapted to receive a plurality of decorative sections having mounts attached.

- After paragraph 14 please add the following new paragraphs 14.2, 14.4 & 14.6:

**[14.2].** All of the references cited are directed toward earrings, none of the references are directed toward other larger piercings of the body, and the unique issues involved with larger body openings. One such issue is due to the movement of the body piercing section while in a body opening. As
